Church Street
Forest Junction

2016
9 HOLES
2 BASKETS PER HOLE

Freitag Memorial Disc Golf Course

Located in Freitag Memorial Park
Church Street - Forest Junction

Updated: 8/23/2016

ABOUT THE COURSE:

You will notice the course is much different this year!

The Greater Fox Valley Disc Golf Club asked the Forest Junction Civic League if the club could adopt The Freitag Memorial Disc Golf Course as their home course. The club's assistance is much appreciated.

For the time being, the outside fairways will not be used. More work is needed to make them ready.

The inside nine fairways will each have two concrete pads, and both a short and long basket. You now have the option to play each hole multiple ways. The fairways are wider and better groomed. Noxious weeds and insects are being treated.

- Holes: 9 (combination of short and long)
- Length: unknown
- Pads: Concrete
- Baskets: Discraft ChainStar with orange flags
- Public Bathroom: only on days of a tournament

The course is still challenging, but much more fun.

The course is in woods, with fallen trees, areas of brush, and some water hazards.

This course rewards the player who can keep his or her disc on the long narrow fairways.

PLAYING THE COURSE:

Bring insect repellent during June, July, and August. Some parts of the course are wet in spring.

August is dry and the mosquitoes disappear by September. The best playing time is mid-August until the snow is too deep to walk in. Fall is always a gorgeous time to be in the woods. There is no hunting in the woods, but wear blaze orange during gun deer hunting season anyway. Sometimes in winter, a snowmobile will traverse the fairways making winter play possible.

The wild flowers are impressive in May. If you are quiet, you will notice birds, squirrels, chipmunks, rabbits, and perhaps deer.

TOURNAMENT:

We host an amateur tournament on the same day as our annual community corn roast, picnic, car show, and motorcycle show—always the fourth Sunday in August.

OWNERSHIP & MAINTENANCE:

Freitag Memorial Park is a privately owned park that is held in trust for public enjoyment. The park is owned by the Forest Junction Civic League—a volunteer group who maintains the course as time and money are available. Please contact us if you are inclined to help.
